

RUGGED FOR COMMERCIAL USE

VAGABOND CC
Shown with optional side door

Vagabond CC (Commercial Cap) is Raider's true commercial workhorse. With structural reinforcement to handle tough jobs, it will always look impressive pulling into the job site with its custom-fit fiberglass design and automotive grade paint to match your truck color. It's the perfect combination of style and substance. (Note: no side windows - solid sides)

COBRA CC
Shown with optional side door and solid rear door.

The Raider Cobra CC is the perfect blend of toughness and style. Its mid-cab design provides an expansive interior cargo space for bulky tools and equipment. The structurally reinforced fiberglass design means you'll get years of reliable service. Choose from an impressive list of commercial grade options for added functionality (Note: no side windows - solid sides)
